

EXHIBITORS' SPECTRUM

PACKAGED CHILLERS Centrifugal / Screw / Scroll / Reciprocating / Vapour Absorption / Magnetic bearing / Heat Pumps

AIR HANDLING & DISTRIBUTION PRODUCTS Air Handling Units / Evaporative Cooling / DOAS / Fan Coil Units / Grills & Diffusers / Air Filters / Dampers / Duct Fabricating Machines / Attenuators / Insulation / Acoustic Lining / VAV Systems / Blowers & Fans / Prefabricated Ducts / UFAD / Chilled Beams

UNITARY PRODUCTS (AIR CONDITIONERS) Window AC / Split AC / Packaged AC / Rooftop AC / Portable AC / Precision AC / Dehumidifiers & Humidifiers / VRF / VRF systems

WATER DISTRIBUTION Pumps / Pre-insulated Piping / Valves / Pipe Insulation / Cooling Towers / Grooved Piping Fittings / Air Separator / Expansion Tank

WATER TREATMENT (PREVENTION OF SCALE, CORROSION, BIO-FOULING) Electrochemical Treatment (Non Chemical based), Automatic Chemical Dosing, Side Stream Filtration, Automatic Condenser Tube Cleaning systems...

ELECTRICALS Motors & Switchgears / Variable Frequency Drives / PLC / Cables & Wires / Electrical Safety systems / Panels / Cable Trays & accessories

SERVICES Testing, Adjusting & Balancing (TAB) / Equipment Testing / Services Maintenance / Facility Management / Installation & Commissioning / Validation of Clean Rooms / Energy Simulation & Green Building Design / BIM / Educational Institutes / Software (CFD, CAD)

INDOOR AIR QUALITY Filters / UV Lights / Ozone Systems / Air Purifiers / Air Purification Systems

OTHERS Indoor Air Quality Products / Clean Rooms & Allied Equipments / Radiant Cooling / District Cooling / Geo Thermal / Thermal Storage Systems / Vibration Isolators / Duct Pipe Supports / Air Curtains / Lighting Manufacturers / BMS and Building Automation services / Air Economiser / Water Economiser

ABOUT ISHRAE

The Indian Society of Heating, Refrigerating and Air Conditioning Engineers (ISHRAE), was founded in 1981 at New Delhi by a group of eminent HVAC&R professionals. ISHRAE has over 25,000 HVAC&R professionals as members with 12,000 as student-members. ISHRAE operates from 42 Chapters and sub Chapters spread all over India, with HQ in Delhi.

MISSION

To promote the goals of the Society for the benefit of the general public. Towards this objective, the Chapters of the Society participate in, and organize, activities to protect the Environment, improve Indoor Air Quality, help Energy Conservation, provide continuing education to the Members and others in the HVAC & related user Industries and offer certification programs, career guidance to students at the local colleges and tertiary institutions.

ACREX INDIA 2019 - BRINGS THE ENTIRE HVAC&R UNIVERSE TO MUMBAI

ACREX India would return to Mumbai to celebrate its 20th edition, where the mega event will witness participation from more than 25 countries including Belgium, China, Czech Republic, Egypt, France, Germany, Italy, Japan, Korea, Malaysia, Saudi Arabia, Singapore, Spain, Switzerland, Taiwan, the Netherlands, UAE, UK, Ukraine and USA.

With its features, participation and consortium status, ACREX India 2019 would not only be the launch-pad for potential business-enabling collaborations, but also the live resource pool and seamless amalgamation of Integrated Building Solutions.

ACREX INDIA 2019 - A GALAXY OF OPPORTUNITIES

"BUILD FAIR ALLIANCE" - THE LARGEST NETWORKING PLATFORM FOR THE BUILT ENVIRONMENT. The Alliance shall comprise of three events that would be conducted at the same venue coinciding with ACREX:

- ACREX India covering the HVAC and Building Automation Systems
- ISH India powered by Indian Plumbing Association - An International trade fair exhibiting plumbing, sanitation, bathroom & kitchen, renewable energy and home automation systems in India
- Fire & Security India Expo (FSIE) previewing the fire safety & security solutions.

PARTICIPATING SECTORS

- Commercial Buildings
- Corporate & Office Infrastructure
- Industrial Manufacturing Facilities
- Residential Complexes
- Hospitality - Hotels, Restaurants & Clubs
- IT/ITES/BPOs
- Entertainment hubs like Malls, Auditoriums, Multiplexes
- Educational & Research Institutions
- Banks & Financial Institutions
- Hospitals, Blood Banks, Clean Rooms
- Automobiles, Railways
- Airports, Ports & Metros
- Commercial Shipping, Cruise Liners
- Defence Services: Army, Navy, Air Force
- Warehouses
- Salons, Spas & Health Clubs
- Pharmaceutical
- Power & Metals
- Oil & Gas

A FUNCTIONING ECOLOGY OF TECHNICAL SEMINARS AND INTERACTIVE PANEL DISCUSSIONS

While ACREX India 2019 would buzz with endless opportunities for companies to showcase their products, it will additionally be an institution in itself – thereby being a deeply educative and informative event with series of technical seminars that would complement the exhibition. The seminars shall be conducted by esteemed national and international speakers and would provide a platform for the industry to learn and exchange knowledge and expertise on latest trends, directions and topics germane to the HVAC & R & Building Services Industry.

CONCRETE FOCUS ON THE BUILDING AUTOMATION PAVILION

With each successive year, the focus and encouraging response from the participation of Home and Building automation Companies has given a higher thrust to the importance of this pavilion – a unique feature and cynosure of ACREX India. Companies like Schneider, Siemens, Delta, Messung Systems have been participating with a special endeavour on showcasing their BMS Products. ACREX India 2019 will collate energies to successfully present a rewarding Building Automation Pavilion yet again.

INDOOR AIR QUALITY (IAQ) PAVILION

Rising concerns and high level of awareness towards inadequate quality of air & air pollution has created a great need for dialogue, evolution and innovation in indoor air quality. As the entire HVAC&R Industry is persistently working to better the solutions, ACREX India 2019 would offer this platform to companies in IAQ, by creating a special pavilion to showcase & promote their products to the right target audience.

THE GRAND VENUE IN MUMBAI, THE COMMERCIAL CAPITAL OF INDIA

Bombay Convention & Exhibition Centre (BCEC) is the largest and permanent exhibition centre, in the private sector, in India and was set up in 1991. BCEC has hosted several prestigious International trade fairs/exhibitions ever since.

The centre is ideally situated along the Western Express Highway in Goregaon, within 10 minutes from airports, walking distance to train stations and a 20 minute drive from the heart of the city. There are numerous hotels, entertainment activities, retail shopping & sightseeing spots in close proximity.

BCEC consists of four halls occupying over 45,000 sq.mtrs of centrally air-conditioned space for conducting exhibitions. The halls are Wi-Fi enabled, have ample height, good lighting, well-designed ventilation and strong flooring to withstand even the heaviest machinery.

Major highlights of the available facilities for organizing large or medium scale events in the commercial and business capital of our country - Mumbai, include air-conditioned Seminar/ Convention halls, International lounges, operational air-conditioned restaurants, open air cafeterias, business communication centres, site offices, service centres and sufficient parking space within the complex having serene and lush-green surroundings.

THE FUTURE IS CALLING. ARE YOU READY?

- The Construction Industry in India is thriving with projected growth over the years, with huge investments in residential, infrastructure and energy projects. An impressive growth has been witnessed over the years and the industry assures further positivity with confidence.
- Tremendous infrastructural growth, ensured with government flagship programs like 100 Smart Cities Mission, Housing for All, Atal Mission for Urban Rejuvenation and Transformation (AMRUT), Make in India and Power for All.
- Urban India steered to undergo major transformation. Indian Governments' initiatives would also call for the provision of a more sustainable and clean environment by 2020. A colossal budget of INR 480.0 Billion (US\$ 7.6 Billion) has been allocated to deliver this mission.
- Other factors like the continuing rise of population, higher levels of income and lifestyle, revival in the housing markets, awareness and concern for optimising technology warrant the demand.
- Development of reliable energy resources and growth in industrial units persevere the push towards the growth of global HVAC market.
- Asia-Pacific continues to be the leading revenue generator in the global HVAC market, even as robust demand is anticipated from the Americas over the forecasted period. Split air conditioners continue to remain on high demand for residential end-use applications.

VISITORS' PROFILE

- Architects
- Interior Designers
- Consultants
- Engineering Companies
- Project Managers
- Facility Managers
- Developers of Building & Infrastructure
- End users from the private and public sector
- Residential, Commercial and Industrial Buildings
- SME
- Electrical consultants
- Electrical engineering companies
- HVAC consultants
- Refrigeration and Air Conditioning Engineers
- Heating & Ventilation Engineers/Contractors
- Wholesalers
- Distributors
- After Sales & Maintenance Contractors
- Service Providers
